Landmarks: At approximately 20.1 miles from Evanston, look for a blue mailbox and a white mailbox at the edge of the road. These two mailboxes are at the entrance of County Road 152. There is a blue "Adopt a Highway" for Wild River Ranches sign close to the mailboxes and a large wooden snow fence in the pasture on the west side of the highway. If you are coming from Evanston and reach the Utah border, you have passed the Ranch.
